COMPANYREGISTRY

FOLLOW THESE STEPS TO CLAIM & ACTIVATE YOUR ACCOUNT

Firstly, go to the website link **www.company-registry.org/activate-account**

Next, enter your **10 digit reference code** & confirm your company information.

Finally, **pay the activation fee** to access your Company Registry dashboard.

HELPFUL INFORMATION ABOUT YOUR ACCOUNT

HOW DO AUTO-ALERT TAX NOTIFICATIONS WORK?

Once you have activated your account you can verify your phone number and receive real-time SMS text notifications keeping you up to date with important filing deadlines and submission dates specific to your business. This will ensure you never miss a filing deadline (annual tax returns & confirmation statements).

ARE MY DOCUMENTS & SENSITIVE INFO SECURE?

Yes - your privacy and security are top priority, the document storage vault and your sensitive information is end-to-end encrypted using bank grade security.

HOW LONG DOES IT TAKE TO SET UP?

Less than 5 minutes. Simply go to the website (see the instructions above) enter your unique reference number to get started. The 3 steps are quick and easy to follow. Once activated you have access to all tools for your business.

USING A DIGITAL BUSINESS CARD?

You'll have the facility to create fully customisable and shareable digital business cards with prospects and potential customers. Add your logo, contact info & business details. Then generate a shareable link. Create multiple business cards for different directors, promotions and employees.

CAN I VIEW MY FILING DEADLINE DATES?

Yes - you can view the deadline dates for your annual filing return and your confirmation statement. As the deadline approaches they will change colour to reflect urgency.

HOW DO I STORE IMPORTANT COMPANY CODES?

Your secure company vault has a section dedicated to storing all your vital company codes; UTR, VAT, Authorisation Code and more. It's common to misplace or forget these codes, now you can store them in one place.

Do you think someone has used your personal address to form a company without your knowledge?
Act now and report it www.SecureMyAddress.org - we'll give you instructions on what to do next.

Data Protection (GDPR), Service Disclaimer & Privacy Statement

To activate your account visit www.company-registry.org/activate-account - your account will be activated instantly once you have confirmed your company details and paid the activation fee. This is a solicitation for your business subjected to the regulations set forth in the Business Protection from Misleading Marketing Regulations 2008 (BPRs) and the Consumer Protection from Unfair Trading Regulations 2008. This solicitation shall not be interpreted or deemed as a legally binding offer, nor does it create any obligation to form a contractual relationship. Company Registry is not associated with any government entities, including but not limited to HMRC (Her Majesty's Revenue and Customs) or Companies House. Company Registry LLC, with its registered company number 811323486 is the sole operator of the services advertised and Company Registry is legally recognised and functions under the applicable laws and regulations. This advertisement and the services provided by Company Registry LLC are intended solely for the benefit of the client and Company Registry LLC.
